

Historic Downtown Carlton

Getting here is easy.

Being here is better!

Sitting in the heart of the Willamette Valley and surrounded by rich farmland, rolling vineyards and sweeping views of the Coastal Range, our historic and charming town awaits you.

Take a trip back in time as you stroll along our thriving main street, full of friendly faces and lined with vintage buildings reclaimed for new use as wine tasting rooms, restaurants, shops and galleries.

Walk the historic district, or park your car and stroll from tasting room to winery. Hunt for the perfect gift in antique shops and galleries. Hungry? Enjoy a delicious meal at one of our local restaurants, or create your own picnic or cheese & charcuterie plate and enjoy in the town parks.

Carlton... it's a great place to live, work & visit!
